THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

Office of the Director

DCI/IC 74-0177

7 March 1974

Lt. Gen. Lew Allen, Jr. (USAF)
Director, National Security Agency
Ft. George G. Meade, Maryland

Dear Lew,

The enclosed letter from Dr. Kissinger commenting on the Intelligence Community Staff's analysis of activities during the Middle East crisis was particularly meaningful to those individuals who participated in the exercise. [redacted] of NSA was intimately involved in various phases of the analysis as well as in the final preparation of the report and it seems appropriate to include this commendation in his personnel file.
